RE: Hazardous and Solid Waste Transporter License
N.J.S.A. 13: 1E-126 et seq.

Dear Mr. Masser:

This is to advise you that the investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. has been received by the Department of Environmental Protection.

Based on our review of the aforementioned investigative report, the Department is hereby issuing a hazardous and solid waste transporter license to:

PAR-TECH, INC. D/B/A KEY ENVIRONMENTAL

This letter will serve as documentation that a hazardous and solid waste transporter license has been issued. This license must be renewed annually by filing the Annual License Update form and any other change of information concerning your company or its operation as required by the Department.

You may also be required to obtain a Certificate of Public Convenience and Necessity prior to commencing solid waste business operations. Questions regarding this certificate should be directed to the Bureau of Solid Waste Regulation at (609) 984-2080. **A n y transportation equipment must be registered prior to commencing operations; and in accordance with the hazardous waste regulations, your company must undertake provisions for a training program in the safe management of hazardous waste for all employees who will handle such waste.** Questions regarding equipment registration of the above license should be directed to the Bureau of Hazardous Waste Regulation at (609) 292-7081.

Sincerely,

Norine Binder
